Types of Data we collect

The Controller does not provide a list of categories of Personal Data collected.

Complete details on each category of Personal Data collected are provided in the dedicated sections of this privacy policy or through specific information notices displayed before the Data is collected. Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically when using this Application.

Unless otherwise specified, all Data requested by this Application is mandatory. If the User refuses to provide such Data, it may be impossible for this Application to provide the Service. Where this Application indicates some Data as optional, Users are free not to communicate such Data, without any consequence for the availability or operation of the Service.

Users who are unsure about which Data is mandatory are encouraged to contact the Controller. Any use of Cookies or other tracking tools by this Application, or by the owners of third-party services used by this Application, is intended to provide the Service requested by the User, in addition to any other purposes described in this document and in the Cookie Policy.

The User assumes responsibility for Personal Data of third parties obtained, published or shared through this Application.

Methods and place of processing of the collected Data

Methods of processing

The Controller adopts appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data. Processing is carried out using IT and/or telematic tools, with organizational methods and logic strictly related to the purposes indicated.

In addition to the Controller, in some cases other parties involved in the organization of this Application may have access to the Data, such as administrative, commercial, marketing and legal staff, system administrators, or external parties such as third-party technical service providers, postal couriers, hosting providers, IT companies and communication agencies. Where necessary, such parties may be appointed as Data Processors by the Controller.

Place

The Data is processed at the Controller's operating offices and in any other places where the parties involved in the processing are located. For further information, please contact the Controller. The User's Personal Data may be transferred to a country other than the one in which the User is located.

Retention period

Unless otherwise stated in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be retained for a longer period due to legal obligations or based on the Users' consent.

Purposes of processing of the collected Data

The Data concerning the User is collected to allow the Controller to provide the Service, comply with legal obligations, respond to requests or enforcement actions, protect its rights and interests, detect any malicious or fraudulent activity, and for the additional purposes described in this document.

Cookie Policy

This Application uses Tracking Tools. To learn more, Users may consult the Cookie Policy.

Further information for users in the European Union

Legal basis of processing

The Controller processes Personal Data relating to the User where one of the following conditions applies:

- the User has given consent for one or more specific purposes;
- processing is necessary for the performance of a contract with the User and/or for pre-contractual measures;
- processing is necessary for compliance with a legal obligation to which the Controller is subject;
- processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Controller;
- processing is necessary for the purposes of the legitimate interests pursued by the Controller or by a third party.

It is always possible to ask the Controller to clarify the specific legal basis of each processing activity and, in particular, to specify whether the processing is based on the law, provided for by a contract or necessary to conclude a contract.

Further information about retention time

Unless otherwise stated in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be retained for a longer period due to legal obligations or based on the Users' consent.

Personal Data collected for purposes related to the performance of a contract between the Controller and the User will be retained until such contract has been fully performed. Personal Data collected for purposes related to the Controller's legitimate interest will be retained until such interest has been fulfilled.

Where processing is based on the User's consent, the Controller may retain Personal Data for a longer period until such consent is revoked. Furthermore, the Controller may be obliged to retain Personal Data for a longer period to comply with a legal obligation or an order from an authority.

User rights under the General Data Protection Regulation (GDPR)

Users may exercise certain rights regarding the Data processed by the Controller. In particular, within the limits provided by law, the User has the right to:

- withdraw consent at any time;
- object to the processing of their Data;

- access their Data;
- verify and request rectification;
- obtain restriction of processing;
- obtain erasure or removal of Personal Data;
- receive their Data or have it transferred to another controller;
- lodge a complaint.

Details about the right to object

Where Personal Data is processed in the public interest, in the exercise of official authority vested in the Controller or for the purposes of legitimate interests pursued by the Controller, Users have the right to object to processing on grounds relating to their particular situation.

Where Data is processed for direct marketing purposes, Users may object to such processing at any time, free of charge and without providing any reason.

How to exercise these rights

Requests to exercise User rights may be addressed to the Controller using the contact details provided in this document. The request is free of charge and the Controller will respond as soon as possible, in any event within one month.

Further information about processing

Legal defense

The User's Personal Data may be used by the Controller in court or in the preparatory stages leading to possible legal action for the defense against misuse of this Application or related Services by the User.
